

DK Decking Range

We also offer a BESPOKE service

DK4 Standard Grooved

The DK4 decking profile is available in a range of woods. For more information regarding your specific requirements please contact our sales team on 01606 55 55 00

Lengths available in 2.1m and longer

The DK4 Standard Grooved Profile is ideal for commercial use or in areas of heavy traffic. The 28mm thickness provides increased strength and durability.

Decking can also be produced to your design specifications through our bespoke production service.

All dimensions are in mm. Dimensions may vary.

Delivery can be organised normally within 7 to 10 days
