British Wood Floors offers species, such as Oak, Thermo Oak, Ash, Maple, Pitch Pine, Walnut, Wenge, Zebrano and many others.

The flooring is supplied in three main grades, "Character", "Natural" and "Prime".

Our state of the art manufacturing facility gives us the flexibility to produce any floor you may request. However the bulk of our flooring falls into four categories:

- >> 8mm parquet square-edged;
- >> 14mm overlay tongue and grooved ends-matched flooring in any widths;
- >> 20mm strip flooring tongue and grooved ends-matched flooring in any widths up to 210mm;
- >> 129mm wide "Clip System" is available in both 14mm and 20mm;

Parquet blocks can be made in any size or specie you require.

We offer FSC and PEFC certified timber.

Our site is certified for FSC and PEFC Chain of Custody.

We also produce solid wood skirting boards, architraves and feature strips to complement our flooring range.
